Re: Crested Half Zip – Mini Company Project

Dear Parents

Our Transition Year Mini Company are starting their projects again this year. One of their products is a Crest Half Zip – modelled beautifully by James Moloney, Colm O'Donovan and David White in the photo below.

The cost of the half zip is €45 and sizes are currently being taken by Mr. Kelleher. As a guide we are proposing that:

- The crested Half zip top is an **optional** part of the uniform. It's main purpose being to provide added warmth when needed. It is **not to act as a replacement to the jumper**.
- The Half Zip can be worn for P.E/sporting/outdoor activities e.g. trips to matches, field trips
- When representing the school at formal events such as debates, mini company competitions, visits out to colleges/industry/opera house/tourist attractions, **full uniform including the jumper must be worn**.
- It is at the **discretion** of each individual teacher whether or not the student wears the Half zip (for additional warmth) in their classroom.

Once your child has placed an order we will send you a text through Way2pay for payment. If you are unable to access this system please bring payment to the main office.

Many thanks
