

# Clonakilty Community College

## Open Night 2023 Thursday October 12th 5.30pm—8pm

Once again we are inviting all interested students, parents and guardians to come along to our Open Night on Thursday October 12th. If you interested in coming to CCC then this is a great chance to see what the school has to offer.

Our modern new extension is in full use and students are availing of brand new state of the art rooms in Engineering, Art, Construction Studies, Graphics/DCG, Computers, Wood Technology and Science. We can't wait to see you!

*Our 2024 1st Years will be the first year group to be a "digital" year group. All students will use devices. This will be compulsory and more information will follow on how this will work. For those worried about finances we will be linking with the Credit Union to make it easier.*

## Applications/Enrolments for September 2024

### When can you apply?

1st October 2023.

### What is the closing date for making an application?

24th October at midnight.

### How do I apply for a place?

Applications can be made online by going to our website [www.clonakiltycc.ie](http://www.clonakiltycc.ie)

Click on "Enrolments" and you will see a link to "APPLY HERE". This will allow you to enter all of the information to apply for a place in September 2024.

### What if I miss the deadline?

If you miss the closing date you can still apply but you will then be placed on a waiting list—The waiting list is put in order according to

when you apply.

### What are the criteria to get a place in 1st Year 2023?

Our full Admissions Policy is available on the "Enrolments" section of the website. This Policy outlines clearly the full list of criteria and also includes a full list of our eligible feeder schools. Also there is our Admissions Notice with the important enrolment dates listed.

### What does it mean to be a "digital" year group?

All students will use a student laptop device in school and at home. All books will be on the device thus saving bringing in and out books in bags. Communication with teachers using TEAMS will be easier. In-class research will be easier. There will be a reduction in school fees to help parents/guardians with the costs. Clonakilty Credit Union will offer finance also. We're giving 11 months notice so saving can start early!
